

**NEMHA 2024 U15 Mixed Tryout Process:**

The U15 Mixed tryout process will consist of three phases. Once all phases are complete, a total of 45 players and a # of goaltenders (based on the number of goalies trying out) will be assigned to a team, based on ranking, to form the A, B, and C teams.

Phase	Pool	Players/Goalies	Sessions	# Teams
Phase 1	All	All	3 Games/Team	Roughly 4 Teams
Upon completion of Phase 1, players will be split into two groupings: A Pool and B/C Pool. 14 forwards, 10 defence and a # of goalies TBD (will be based on the number trying out) will be selected for the A pool. Everyone else will be grouped into the B/C Pool, who move straight to phase 3.				
Phase 2	A Pool	14 Forwards 10 Defence # Goalies	2 Games/Team	2 Teams
Upon completion of Phase 2, an A team, consisting of 9 forwards, 6 defence and a # of goalies TBD (will be based on the number trying out) will be selected. Players who are cut from the A pool will be assigned a roster spot on the B team, however they will still participate in the B/C pool Phase 3 tryouts for numbers purposes.				
Phase 3	B/C Pool	Remaining Players and Goalies Trying Out	2 Games/Team	2 Teams
Upon completion of Phase 3, a B and a C team, consisting of 9 forwards, 6 defence and a # of goalies TBD (will be based on the number trying out), for each respective team will be selected. Any players who do not make one of the A, B or C teams will be placed on an MCHL team for the season.
