### **U15 Female B Team Update**

We would like to provide an update for any players who did not make the A team. As an association, we were required to follow new policy on the structure of our female All Star teams. According to new Hockey NL and Metro League policy, we were required to name a full roster of 15 +1 players on A. For the B team players, we are continuing to explore options for this upcoming season. At this time we have a metro committee meeting on Thursday evening and we hope to provide some options for this group as soon as possible.
